

# Heal Our Land

BY SENATOR ORRIN HATCH AND JANICE KAPP PERRY

*In the movie Oceans 12, during the scene where the casino boss played by Andy Garcia crashes a wedding, the music being played is a song called "Souls Along The Way." This wouldn't be so remarkable if the song hadn't been written by Senator Orrin Hatch for fellow Senator Ted Kennedy and his wife. This song by the senior senator from Utah, "Heal Our Land," was recently performed at the second inauguration of President George W. Bush.*
