3-DAY DIGITAL MEDIA & COMPUTER GAMING WORKSHOP TUESDAY, WEDNESDAY, THURSDAY JUNE 5, 6 & 7, 2007

Join us on the Southern Polytechnic State University campus in Marietta, Georgia, for this hands-on workshop that includes manipulation of digital media, such as pictures, sounds and movies beyond the typical available applications — we will be creating art!

It will also include an overview of computer gaming and designing, and creating your own games of various types — shooter, maze, platform and 3D.

Each participant will receive software that will allow her to create games or enhance existing games.

**Presented by SPSU's
School of Computing & Software
Engineering**

Faculty Lead: Professor Briana Morrison
bmorriso@spsu.edu

* **EACH SCHOLARSHIP** covers all regular workshop expenses, including meals and lodging, for selected young women who are rising high school juniors or seniors. The participant is responsible for providing her own transportation to and from the SPSU campus.
