

Explore all the services and opportunities afforded faculty through Southern Polytechnic's Extended University. Through EU you can enhance your campus experience, improve your teaching skills, and participate in outreach opportunities. For faculty support and assistance, there's no resource equal to EU.

Our mission is to provide programs and services to SPSU, the business community and the community at large by extending, enhancing and expanding the traditional teaching, research and services roles of the University to new clients, in new formats and through the infusion of new technologies.

EXTENDED UNIVERSITY  
IS AN ADMINISTRATIVE UNIT  
REPORTING TO THE VICE PRESIDENT  
FOR ACADEMIC AFFAIRS.

## *Other EU Ventures*

### ◀ UC ▶ **Usability Center**

The Usability Center partners with clients to plan, develop, and conduct user testing that reveals the user experience. Our expertise helps clients' design teams build better products.
