**Welcome to Southern Polytechnic**  SPSU

In 1986, SPSU offered its first Master of Science in Technology Management. Today we have evolved our Graduate Program to include 9 graduate degrees, 11 graduate certificates and 4 advanced graduate certificates.
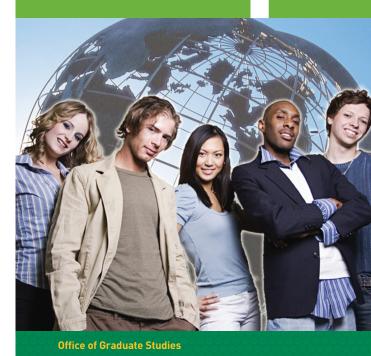

Our student body is comprised of traditional and non-traditional students, thirty-one percent of which are international students.

Our Graduate Programs are on the cutting edge of communications, technology, and management. We offer customized programs to fit your life. Many courses are offered evening, weekends, and online. With affordable tuition, small class sizes, and real-world applications, SPSU can help you find your place in the world.
