Revolutionary Misting System for the New Millennium

Why Mist?

- Misting keeps produce, vegetables and floral displays attractive to customers
- Misting extends shelf life of your products
- Misting reduces shrinkage – reducing shrink by just \$25 a day saves you over \$9000 annually!

Actual width and depth is 5/8" (16mm)

Why Prodew?

We engineer for your needs

Our low-maintenance systems feature reusable filters, long-lasting pumps, and non-corrosive, non-clogging plastic nozzles.

We provide premium systems

We design and manufacture to the highest standards, using quality electrical and other components that are NSF, UL & CE approved.

Ours are the lowest-priced, most affordable systems on the market

A system pays for itself in just a few short months, the benefit of reduced shrinkage through extended shelf life.
