The Perfect Place To Learn To Discover By Doing To Enhance Your Future

Team Blowtherm's state-of-the-art 25,000-sq. ft. Technical Training Center is the world's largest training center in the refinish spray booth industry. A unique facility, the Tech Center is dedicated to improving the productivity and profitability of Team Blowtherm's customers through professional training, product testing, and extensive spray booth research and development. The facility features six styles of automotive spray booths, including one with a regenerative VOC abatement system, prep stations, mix rooms and two full-size truck booths, all 'paint-ready' for demonstrations and testing.

The Tech Center conducts training for technicians and sales personnel, along with customer demonstrations and equipment owner seminars. Short, intensive training sessions improve operator effectiveness, optimize equipment use and, ultimately, result in greater profits and satisfaction for Team Blowtherm customers.

SEMINAR DETAILS

TIME

8:00 a.m. - 5:00 p.m.

LOCATION

Team Blowtherm Technical Center,
Atlanta, Georgia.

LUNCH

Included.

LODGING

Our reservation service assists in connecting guests with local hotels and services. Lodging is additional.

TRANSPORTATION

Limo to and from airport provided by some hotels. Taxi and rental cars available. Transportation is additional.

Hands on

You're part of a team whose assignment is to assemble the product – then take it apart again! Participants learn how the product goes together using the Tech Center's practice unit and then disassembles it for the next group of learners!

Be ready for BIG BOOTH jobs! Two days at the Tech Center is all it takes!

Become proficient at assembling

3-motor Forced Dry Groups

4-motor Recirculating Groups

5-motor Forced Dry Groups

6-motor Recirculating Groups
